WHAT THEY WANT FROM ME?

Gosia Witkowska

WWW.CHOSEFREQUENCY.COM

Nobody knows better

Why do people always claim that they know the answer and I just do not listen? I know myself and I know what I want.

Who else should make decisions? And if we went with my ideas it all would be in alignment. If it never goes wrong for me then maybe we should follow my directions.

I am tired of hearing that others' perspective is valid as well. It means that mine too. Maybe even more because it is my life. Why they do not listen to me?
